## Vision

---

*The Little Achievers Summer Camp does more than just make sure your child does not fall behind academically during the summer months. Our camp helps students fortify critical thinking and reasoning skills, and encourages students to develop logical and creative approaches to problem solving. Through our diverse and interactive curriculum, students will constantly explore issues in-depth, instilling a sense of curiosity as they learn new material in engaging ways. Most of the time, they won't even know they're learning.*

---

## Mission and Values

---

*In this academically rich summer camp, students engage in fun Team Building activities while also developing their critical thinking and reasoning skills in Math, English, and Spanish immersion classes. Our project-based learning allows students to use their creativity and own style of learning to demonstrate the knowledge acquired.*

*Little Achievers Summer Camp assures each child receives an excellent education. Our experienced teachers pride in providing each family with the highest level of service, instilling creativity and thirst for knowledge in each child.*

## Class Offerings

---

### Spanish

*Spanish immersion classes allow students to engage in conversational Spanish at all levels of fluency. Whether a beginner or an advanced speaker, the student will find the experience of learning and practicing the language fun while challenging. As we explore popular music, main celebrations and traditional foods, students gain a better understanding of the cultures of Hispanic countries. Students will expand their vocabulary and improve their pronunciation as they listen actively, sing along to fun songs, and dialogue with other classmates.*

## **Math**

*This course is designed to promote critical thinking skills through a combination of problem solving activities. Students will explore answers to modern day mathematical riddles through a hands-on, interactive approach. Math comes alive as students discover fun ways of applying their learning daily. Weekly topics solidify the foundation students need for success in high school, college, and beyond. Students develop confidence in their skills as they master more advanced concepts and are able to apply their learning daily.*

## **English**

This is not your average English class! Students engage in active learning as they write their own masterpieces. May it be a creative novel, a play, or a news article, students learn to be strategic as they target a specific audience. Additionally, students experiment with putting together their own cooking recipes and practice writing formal letters and emails. This instructional strategy allows students to immediately apply what they learn and create a tangible learning outcome.

*Beyond the Classroom*

---

## **Team Building**

*An effective leader listens and promotes the success of to his or her team by learning to use the strengths of individuals to achieve team goals. Through games and team activities students will develop effective leadership skills by working together to follow directions and accomplish challenges and tasks. Students will exemplify leadership by modeling how to solve tasks and motivating team members at different levels.*

## **Before & After Care**

*Parents can choose to enroll their Little Achiever in Before and/or After Care, where the student will partake in different activities ranging from board games and arts & crafts to field time and team workouts.*

*Before care is offered daily from 7:30AM to 9:00AM, and After Care is offered daily until 5:30PM. Please note that Before & After care is available for an additional fee.*
